

I was the one who had it all  
I was the master of my fate  
I never needed anybody in my life  
I learned the truth too late  
I'll never shake away the pain  
I close my eyes but she's still there  
I let her steal into my melancholy heart  
It's more than I can bear

Now I know she'll never leave me  
Even as she runs away  
She will still torment me  
Calm me, hurt me  
Move me, come what may  
Wasting in my lonely tower  
Waiting by an open door  
I'll fool myself, she'll walk right in  
And be with me for evermore

I rage against the trials of love  
I curse the fading of the light  
Though she's already flown so far beyond my reach  
She's never out of sight

Now I know she'll never leave me  
Even as she fades from view  
She will still inspire me  
Be a part of everything I do  
Wasting in my lonely tower  
Waiting by an open door  
I'll fool myself, she'll walk right in  
And as the long, long nights begin  
I'll think of all that might have been  
Waiting here for evermore
